International Summer Camp Montana General Terms and Conditions

1. In general

An agreement is herewith entered into between the camper and the parent/guardian and ISCM SA, a Swiss public limited company, with regard to the camper's participation in the International Summer Camp Montana holiday camp in Crans-Montana (hereinafter the « Camp »).

ISCM SA's services are subject exclusively to the terms of the application form and of these general terms and conditions. Any agreement supplementing or amending these documents (including this clause) must be in writing and receive ISCM SA's express approval.

If any clause of the application form or of these general terms and conditions should be partially or wholly invalid, it shall not affect the validity of the remainder of the clauses. The parties undertake to immediately replace any provision that is partially or wholly invalid with a clause that most closely approximates the intention of the invalid clause.

The requirement of « written form » in these general terms and conditions is deemed met in particular when correspondence is faxed or scanned and emailed as an attachment, providing such correspondence contains the parties' signatures.

2. Cost, inclusions in the cost, payment conditions

The fee for a three-week session is CHF 7'050.- per camper, per session. The fee must be paid in Swiss francs. This fee includes full board, sports and leisure activities (including equipment), excursions as well as staff and instruction for these activities, laundry service, bedlinen and the services of the Camp's infirmary. The fee does not cover travel to and from the Camp site, personal expenses, insurance premiums, language courses (CHF 300.- extra cost per session and per class) and any medical treatment provided outside the camp's infirmary.

A non-refundable and non-transferable deposit of CHF 1'500.- per camper and per session must be paid when the application is submitted. The final balance of the Camp fee and any extra costs for services not included in the fee must be paid to ISCM SA at the latest 30 April of the year in which the Camp is to take place. If an application is accepted by ISCM SA after 30 April, the balance shall become due upon confirmation of the application by ISCM SA. In case of a delay in payment, ISCM SA shall be entitled to refuse admission of the camper to the Camp without prejudice to any of its other rights.

3. Cancellations – Non-refund of deposits and payments

If the camper and/or the parent/guardian cancels a session (before or during the Camp), ISCM SA shall be entitled to keep any and all deposits and payments by way of compensation regardless of the reason for cancellation (including force majeure). In the event of the Camp (or certain sports or activities) being cancelled by ISCM SA before or during the session for reasons for which ISCM SA is not responsible (e.g. force majeure), the risk shall be assumed by the camper and the parent/guardian and ISCM SA shall likewise be entitled to keep any and all deposits and payments.

4. Behaviour - dismissals

Campers must conduct themselves in a correct manner and abide by disciplinary rules and the Camp's regulations. Campers are strictly forbidden from smoking or drinking alcohol. ISCM SA reserves the right to dismiss any camper it deems unfavorable to the smooth running of the Camp. In the event of dismissal, ISCM SA is entitled to keep any and all deposits and payments made by way of compensation. Any additional costs incurred as a result of dismissal shall be borne by the camper and his/her parents/guardians.

5. Insurance

The camper is required to have the following insurance with cover for Switzerland : health and accident insurance, liability insurance. It is strongly recommended the camper takes out insurance against cancellation and repatriation insurance.

6. Medical Treatment: Medical Release

By signing this contract we authorize ISCM SA to make any medical decisions necessary to ensure proper treatment of the mentioned camper. We will assume all expenses related to the medical care for our child(ren).

7. Duty to inform

The parent/guardian who signs the application form must inform ISCM SA of any health issues the camper may have (e.g. allergies or intolerance to food or another substance), in writing before the camper's arrival at Camp.

8. Responsibility – waiver

ISCM SA shall take responsibility for the camper on the Camp property in Crans-Montana from the time of his/her registration on arrival until the last day of Camp at the time indicated to the parents/guardians or up to the point the camper is required to interrupt the session. ISCM SA shall take responsibility for the camper's travel to or from the Camp property from or to a designated place in Switzerland only if an additional agreement is made in writing.

Campers who leave the Camp grounds without receiving authorization to do so from Camp Directors shall be held fully responsible.

Any contractual or non-contractual liability of ISCM SA to the camper and/or his/her parents/guardians in connection with the organisation and the running of the Camp shall be limited to liability for serious or intentional fault. Any liability in respect of auxiliaries is further excluded within the meaning of Art. 101 Para. 2 of the Swiss Code of Obligations (hereinafter « SCO »), except as provided by mandatory legal provisions.

ISCM SA excludes all liability for any force majeure event beyond its control which forces it to cancel a session or certain Camp activities, e.g. war, act of terrorism, natural disaster, catastrophic weather conditions, epidemic, strike, airport closure, political instability, accident or interruption in methods of transportation, fire, conduct on the part of third party companies and entities, etc.
