International Summer Camp Montana is a private camp in the Swiss Alps for girls and boys from 8 to 17 years of age of all nationalities. For over 50 years, International Summer Camp Montana has employed European traditions in the development of physical and intellectual achievement. The philosophy of the camp is to provide a healthy outdoor living experience through sports in a creative and wholesome environment.

The camp is owned and directed by a family of Swiss professionals since 1961: Philippe Studer, Tania Mathieu and her father Erwin Mathieu.

International Summer Camp Montana offers a highly educational and recreational program for girls and boys from 8 to 17 years of age. Our young guests enjoy sports and leisure activities in an atmosphere of friendship and the unique surroundings of the Swiss Alps.
